Osseodensification

Optimize Your Implant Practice. Create More with Less Any Implant, Any Ridge, In Either Jaw

Participants will practice on actual bone specimens and specially developed clinical simulation models.

Learning Objectives:

This whole-day training will minimize the learning curve and help understand the science behind Osseodensification.

- **Sub-Crestal Sinus Lift**
- **Lateral Ridge Expansion**
- **Immediate Implant Placement with OD**
- **Guided Expansion Graft (2-Stage Approach)**
- **Universal Guided Surgery Protocol**
 - *How can we preserve bone, plastically expand it, and enhance its strength in a controlled method?*
 - *The effect of Osseodensification on implant total stability development for early and immediate loading.*
 - *Risk assessment and avoiding complications.*

Day Schedule

09:00 - 10:30	Lecture
10:30 - 11:45	Coffee Break
10:45 - 12:30	Lecture
12:30 - 14:00	Lunch
14:00 - 16:30	Workshop

Faculty

Dr. Costa Nicolopoulos

BDS, cum laude, FFD (SA)
Specialist Oral & Maxillofacial Surgeon

Dr. Costa qualified BDS, cum laude, as dentist in 1984 receiving numerous Awards including the Gold Medal of the Dental Association of South Africa. In 1990, he completed his 4 year postgraduate Maxillo-Facial & Oral Surgery Training at Wits University. In 1998, he became an ICOI Diplomate. He is Director of the Branemark Osseointegration Center-Dubai

Dr. Christos Tsamis

MDS, Oral surgery, Implantology

Dr. Tsamis graduated dentistry in Aristotle University of Thessaloniki, Greece in 2003. He continued his education at the same University in the Department of Oral and Maxillofacial Surgery where he specialized in Minor Oral Surgery for one year. After that he continued at the Department of Dentoalveolar Surgery – Implantology – Radiology for the next three years where he received his MDS. His master's research was in the use of the MRI on Guided Implant Surgery. He continued his education at New York University where he received his Diploma in Implantology and Oral Rehabilitation, in 2008. He has a number of publication in dental journals and presentations in dental congresses in Greece and USA. His private practice is in Thessaloniki Greece, limited in Oral Surgery and Implantology
