COURSE DIRECTOR

MR ADRIAN RICHARDS
MS, FRCS, FRCS (PLAST)
CONSULTANT PLASTIC SURGEON

Mr Adrian Richards is Medical Director of Cosmetic Courses and is one of the UK's most experienced Consultant Plastic Surgeons in both surgical and non-surgical treatments. He trained in Oxford and London as a Consultant Plastic & Cosmetic Surgeon, with further specialist training in Australia and America. He has worked at the Regional Plastic Surgery Centre in Stoke Mandeville, Aylesbury and now concentrates exclusively on Cosmetic Surgery and training.

Mr Richards is a member of both BAPRAS and BAAPS and is an author of over 30 publications, including a best-selling book on plastic surgery. As one of the leading generation of Plastic Surgeons, his expertise is often sought after by the media, with frequent appearances on television and radio. He has been voted Home Counties Leading Plastic Surgeon by The Daily Mail, Leading Breast Surgeon UK by The Independent on Sunday, and was named The Botox Expert in the Evening Standard's 'Harley Street Heroes'.

In 2014 Mr Richards was also named as one of the world's 'Top 100 Most Influential Cosmetic Doctors' by international cosmetic surgery website RealSelf. He was chosen due to his commitment to answering patient questions about a range of surgical and non-surgical procedures.

Mr Richards is supported by his handpicked team of highly qualified and experienced aesthetic doctors, nurse specialists, Dental practitioners and aesthetic practitioners who offer a wide range of specialist training skills.

COURSE TRAINER

DR ANTONIS PETROU-AMERIKANOS
AESTHETIC DENTIST

Dr. Petrou-Amerikanos qualified as a dentist in 1985. His skills, gentle approach and wonderfully calming manner has earned the undying devotion of numerous grateful patients.

Applying his dentistry background Dr Petrou-Amerikanos also holds a wealth of knowledge and experience within the aesthetic industry. Regularly attending conferences and exhibitions to keep up to date with the latest technology and techniques. His holistic approach and outstanding care to patients have seen him grow a loyal following of clients.

Dr Petrou-Amerikanos uses his dentistry and aesthetic knowledge to teach our courses in Buckinghamshire and London since 2021, in this time we have received fantastic feedback to his way of teaching and thorough explanations.

ADVANCED BOTOX® & DERMAL FILLER TRAINING

Advanced Botox and dermal filler training course will build on from your Foundation Course and further develop your clinical injecting skills. You will learn popular cosmetic injectables treatments giving you an excellent repertoire to work in a cosmetic clinic or set up your practice. Our course includes 80% practical work on live cosmetic models, working in small groups that will allow you to be more confident and master the advanced treatments that clinics offer.

This course will enable you to gain an understanding of the following treatments:

- ✓ **Brow lift**
- ✓ **Mentalis treatments**
- ✓ **Lower face Botox**
- ✓ **Nefertiti lift/platysmal bands**
- ✓ **Treatment of hyperhidrosis (underarm sweating)**
- ✓ **Lip augmentation and enhancement**
- ✓ **Cheek, Jaw, Chin augmentation**

By offering a varied portfolio of treatments you can not only offer your current patients more treatment options but potentially gain new patients looking for advanced injectable treatments, that your competitors may not currently offer.

By attending this course you are continuing your journey in aesthetic medicine. Our highly skilled and qualified team will provide you with full support and first hand advice throughout this journey to help you gain further skills and confidence. On successful completion of our Advanced Botox and Dermal Filler course, we advise attending our **Tear Trough Training Course**, Non-Surgical Facelift Training Course or a **Botox and Dermal Filler Bespoke Training Course** course focusing on further advanced treatments.
